Floyd Carpenter the Winner In First Cross Country Run

LOMITA—Just twelve minutes after the gun banged for the start of the first annual cross country run at Narbonne Monday, April 7, Floyd Carpenter, representing the freshman class, finished in first place. Floyd will have his name engraved on the cup presented by Miss Griffin to encourage long distance running. The winner each year will have his name on the cup which will remain in the trophy case.

Medals will be presented to the following boys who finished in the first four places respectively: Floyd Carpenter, Tom Poole, senior; Daniel O'Leary, sophomore; Wayne Wuchlich, sophomore.

The sophomore class scored the most points in the run, and will receive a plaque or pennant. Ten boys ran for the tenth grade and scored 211 points. The juniors were next, placing eight boys to score 208 1/2 points; the freshman class had eight boys in the race and scored 82 1/2 points, while the seniors with only two men in the race, made 43 points.

The race, which was the first of its kind ever held at the Gauchos school, started on Griffin field and extended over a route through Lomita, finishing with two laps around the Gaucha track. The distance was two miles.

While this race was being run, the seventh and eighth grades had a combined running and walking race over a distance of about a half mile, with Sekul Angelich finishing first; Gene Tawa, second; Leslie Lo Baugh, third; Cleve Beckley, fourth; Jimmy Hasimoto, fifth; Willard Rugrafte, sixth.

Coveted Cup Is Awarded Narbonne

LOMITA—The handsome Dartmouth College cup to be presented annually to the Marine League school whose team has the best combined football and scholastic record, rests in a prominent place in the trophy cabinet at Narbonne High school.

The cup, presented by the Dartmouth Club of Southern California was won last year by the Gardena team.

It becomes the permanent possession of that school which shall win it three years in succession.

Mrs. Florence E. Clark and son, George Francis, who have been guests at the home of her brother, Frank Clark, for the past two weeks, left Tuesday morning for their home in San Francisco.

Gauchos Meet Banning in First League Contest

The Gauchos will meet the boys from Banning in their first league baseball game Friday, April 25, on Travis field. Prospects for Narbonne in baseball are fair. There are five returning lettermen, and there has been a good turnout for practice. In practice tilts with El Segundo, Redondo and University High, the boys have made a good showing. Blumenthal, Markham, Johnston and Bedwell will compose the battery for the nine.

This year only three of the seven league games will be played on Griffin field. The baseball schedule for the Gauchos is as follows: April 25—Narbonne at Banning. May 2—Narbonne at Washington. May 8—Gardena at Narbonne. May 16—Narbonne at Bell. May 23—Jordan at Narbonne. May 29—Narbonne at Ribs. June 6—Torrance at Narbonne.

Wrestling Is His Meat and Flowers, Too

By RONALD W. WAGONER (United Press Staff Correspondent) LOS ANGELES, Apr. 24—(UP)—Its almost orchid season now for "Carnation" Lou Daro, portly Los Angeles wrestling producer, who capitalizes upon the fact that a great many persons will pay real money to watch a pair of hefty gent's try to wring each other's neck.

Every morning for a great many years Daro has burst upon a new day with a genial smile and a white carnation as his trademark, but it now appears that he will be able to substitute the more expensive orchid if the strong back of young Everett Marshall holds out for a few more months.

"Carnation" Lou presents a wrestling card at the Olympic Auditorium every other week and strange as it may seem the place is packed to the rafters while Daro's cash register rings merrily to the tune of approximately \$20,000.

Gus Sonnenberg, the Dartmouth collegian who may have been weak in algebra, but was undeniably strong on the football field, was Daro's "angel" last year.

About half a dozen times Sonnenberg appeared in defense of his "world's title" while the fans howled approval of his billy-goat butting tactics.

Daro gave his cash customers a rest along about New Year's and suspended operations for a month or so. When he reopened his arena Billy-Goat Gus was nowhere to be found and young Everett was on hand to keep Lou in carnations.

Everett's press agent explained various things about his client, including the fact that the strong young man was an ex-student at Washington State College and wrestled a bear for training in the tall timber country of the great northwest.

It finally came to light that if Everett ever went to Washington State, it was as a correspondence student. No one, as far as is known, ever took the trouble to check up on the bear.

It was apparent from the first, however, that Everett was a "rascal" of no mean ability. In quick succession he cracked the joints of other strong men, including Joe Malcwick, Dr. Karl Sarpolis and Nick Lutze, the handsome life guard.

Before long the rabid wrestling fans didn't care whether Everett ever had been a collegian or rascal bear. They packed the house to watch him clamp his fatal "airplane spin" on hapless opponents.

"Carnation" Lou makes no bones about the fact that he has great plans for Everett (and Mr. Daro). He declares that Everett will wrestle the best heavyweights available on the coast and, if he wins, will step into the Olympic ring to contend for the "world's title" with "Billy-Goat" Sonnenberg.

SHOEMEN LAY BLUES LOW AT SAN GABRIEL

Immense Crowd of Fans Sees Red Hot Pitchers' Battle On Sunday

While the Torrance Blues went down, to defeat Sunday in their game at San Gabriel against the El Paso Shoe Company team, it was a defeat with honor. The boys hold the rampaging Mexicans to an 0 to 0 score for the greater part of the game, until a slip on the part of Atwood let a run across the plate.

Harry seldom makes an error, which goes to show that it just wasn't on the cards for the Blues to win last Sunday.

Dave Salazar, pitching for the Shoemen, was showing "topnotch" form. He struck out fifteen Big batters, but Flicker, a new man with the Blues, was almost his equal in the strike-out line for twelve of the Mexicans hit the dust under the withering fire of his elusive slants.

It was a pitchers' battle all the way, ending 1 to 0 in favor of the Shoemen.

Manager Ed Hansey's rejuvenated team is showing some red hot ball playing these days, and seems to have shaken off the effects of the slump of a few weeks ago.

SATURDAY IS LAST DAY TO PAY TAXES

A total of \$30,617,000, or 61.60 per cent of the total to be paid, has been paid into the County tax collector's office to date by property owners in Los Angeles County, according to figures made public today by County Tax Collector W. O. Welch.

This sum compares with \$74,046,300 paid in at this time last year but is two per cent less than the total amount to be paid than at a corresponding date in 1929, Welch stated.

In order to accommodate the last-minute rush of taxpayers who are expected to throng the office on Saturday, April 25, the last day in which taxes may be paid without incurring a penalty, the tax collector's office will remain on duty all day on that date instead of going off duty at noon as is the custom on Saturdays, it was said.

A five per cent penalty will be added to all taxes paid in after this date, Welch pointed out, in addition to which a charge of 50c will be made for each parcel of land upon which taxes are paid.

OBITUARY

... and COLONEL LINDBERGH establishes the newest Transcontinental Record with RICHFIELD

AT EXACTLY eleven minutes, fifty two seconds past 11 P.M. Easter Sunday, a speeding Lockheed Sirius plane powered with a Pratt & Whitney Wasp motor, piloted by Colonel Charles A. Lindbergh with Mrs. Lindbergh acting as co-pilot, appeared over Roosevelt Field, Long Island, circled the field three times, touched the ground in a perfect three-point landing and another Transcontinental record had been made with Richfield.

Colonel Lindbergh, Technical Advisor of the T.A.T.-Maddux Lines, made this flight to test the possibilities of using higher altitudes for air transport.

Lindbergh took off in the early dawn Sunday, his plane carrying 446 gallons of Richfield gasoline in the tanks. He followed the "great circle" route, flying at altitudes ranging from 10,000 to 15,000 feet... streaking through the sky at an average speed of more than 175 miles per hour.

Richfield joins with the nation in saluting the "Flying Colonel" and Mrs. Lindbergh. Once again Lindbergh demonstrates the superb courage and flying skill that made possible his history-making flight across the Atlantic.
